

## You Have Noticed Haven't you?

by Charles Wheeling

Our Ministry is independent, unaffiliated and non-denominational. In this order, we represent Heaven, Jesus Christ, and the freedom we enjoy in Christ to think, act and believe according to individual conscience.

Our Mission in Jesus' own words is simple enough: "This gospel (good news) of the Kingdom (Christ's glorious return and reign) shall be preached in all the world for a witness unto all nations; and then shall the end come." Matthew 24:14.

We believe God has called us to His service. For more than 30 years He has enabled and preserved this humble Ministry! During these years we have studied economy—our offices, equipage and paychecks are modest by any reasonable standard—*there is no extravagance here*. These economies have made possible a work and global outreach few larger organizations can equal.

Our Christ-centered publications circle the globe! With the aid of Heaven, we have published and successfully distributed more than 40,000,000 (40 million) publications in dozens of languages to more than 167 countries! Our labors represent millions of books and Bibles proclaiming the good news of a soon returning King—"We call all men everywhere to be ready to meet Him in peace . . ."

Through these years our appeals for financial support have been few and measured. We do not incessantly badger or hound our friends for contributions. When we are in *need*, we are specific in our appeals. Neither do we abuse thousands of E-news friends with "pop-up" reminders to send gifts. To the contrary, we offer and ship countless gift publications, CDs, DVDs and more without so much as a, "*Here's your gift, send us one in return.*"

If you are following the news, charitable organizations such as the American Red Cross, The Salvation Army and a thousand more non-profits are seriously stressed as a result of the present and deepening economic crisis. The old adage, "charity begins at home" rings truer today.

***Of course our Ministry is stressed!*** In more than 30 years we have not experienced such shortfall in contributions. ***Our immediate concern is the need to reprint our publications.*** We are literally "giving away free of charge" our last precious cases of titles that are suddenly in great demand. *I can't understand why this stirring, can you?*

As I share these few lines, our Mission World staff and volunteers are distributing more that 70,000 publications (principally Spanish) across Los Angeles and Southern California.

**WE ARE OUT OF BOOKS!** We need to reprint 5 titles immediately. December and year's end is your opportunity, no, *our opportunity to pull together and* “meet this challenge.” Jesus expressed it succinctly: “I must work the works of him that sent me, while it is day: the night cometh, when no man can work.” John 9:4

By the way, a fresh, inspiring and uplifting CD entitled, *The Fear Factor*, is now available. ***It's yours free for the asking***—e-mail your request with a personal mailing address to: [webmaster@inbookseast.org](mailto:webmaster@inbookseast.org).

Contributions, comments, prayer requests and words of encouragement should be directed to Mission World, PO BOX 352, Jemison, AL, 35085.

I pray God bless each of you. This is the time for boldness. The world needs to know, ***“This is the time, Jesus is coming soon!”***
